Tackle your Limiting Beliefs Head-On !

What we think and believe will affect how we behave and perform. As D.H. Lawrence said, "the mind can assert anything and pretend it has proven it."

Which 'limiting beliefs' hold you back from moving forward towards Greatness?

Live Coaching Demo of someone speaking a language the coach doesn't understand

You are most welcome to join me and Singaporean colleagues as I coach live someone speaking a language I don't understand, leveraging some of Albert Einstein's insights about energy.

You will discover how this enables coaches and coachees to do transformative work and trigger 'quantum leaps' in coachees' growth.

After the coaching demo, I will offer concrete tips you can apply right away, about:

- making sense of clients' energy shifts,
- enabling your clients to formulate a 'problem' in a way that allows a resolution to emerge quickly,
- unleashing your clients' imagination and intuition in a most productive way,
- ensuring clients' energy "matches the frequency of the reality they want" and then, "get that reality", and much more.

High Risk, High Reward: The Paradox of High Potential Leaders

HIPOs (high-potential individuals) are usually placed on accelerated promotion tracks, considered for high-profile projects, and mentored by senior executives with limited time and capacity.

Yet, HIPOs present a paradox that centers on the idea of scope transition risk.
