Mother Nature in hard talk with Apple's Leadership Team (for real)

In 2020, Apple promised to bring its entire carbon footprint to net zero by 2030 - through innovations in materials, clean energy, low-carbon shipping, and restoring natural ecosystems.

Now Mother Nature asks for a status report from Apple's environmental team. And it better be good because Mother Nature's not in a good mood...

What every CEO should know about generative AI

BCG Reading List 2023

Covering topics from climate and

Amid the excitement surrounding generative AI since the release of ChatGPT, Bard, Claude, Midjourney, and other content-creating tools, CEOs are understandably wondering: Is this tech hype, or a game-changing opportunity?

And if it is the latter, what is the value to my business? Here's a very cool presentation by McKinsey Digital of generative AI essentials.

Preguntas difíciles que debes responderte antes de dar forma a tu futuro, el de tu equipo y tu organización

¿Cuándo fue la última vez que te detuviste y reflexionaste sobre qué tienes que transformar, como líder y de manera personal, para dar forma a tu futuro, el de tu equipo y tu organización?

Esta es una pregunta que el Master Coach Jean-Francois Cousin suele hacer a los altos directivos la primera vez que se reúno con ellos.

Y la mayoría exclama: "¡hace demasiado tiempo!". Cuando sus ojos repiten la pregunta, suelen añadir, con cierta disculpa, "antes de la última crisis -o situación- que estoy experimentando".

Snapshots for Travel Lovers

I am delighted to be back on the road again, partnering with clients in their locations around the world!

Here are a few impressions of my latest trip, to vibrant Ivory Coast, including a very Holy Sunday in Yamoussoukro Basilica - an adventurous (and colorful! 🌈😊) ride, 260 kilometers away from Abidjan -... as well as 3-meter-high waves, romantically derelict French colonial mansions, and more!

So grateful for the chance to visit! 🌍😊 What's not to love? 🌊😊
